Pickens, a documented gang member, has an extensive adult criminal history that began at the age of 24. His convictions include attempted robbery, extortion, multiple burglaries, illegal possession of ammunition, grand theft auto, larceny, evading police, vehicle theft, transporting narcotics, possession of controlled substance, petty theft, disturbing the peace, trespassing, possession of alcohol/drugs in jail, and absconding from supervision. He has served multiple state prison terms the longest a three (3) year term for grand theft auto. Pickens was released from state prison to the supervision of the Los Angeles County Probation Department on December 13th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Pickens qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for extortion is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
